

3PL Marketplace Fulfilment

Your Gateway to reaching millions of online consumers

Seamless marketplace fulfilment ensuring faster deliveries, optimized inventory, and scalable growth across Amazon and Noon.

Features:

FBA Prep Ready | FBN Fast Dispatch | Multi Temp Storage | Real Time Tracking | Returns Handling

Who We Are:

A certified, tech enabled 3PL partner specializing in scalable, multi channel fulfilment for brands selling across marketplaces.

Ideal For:

- Amazon Sellers
- Noon Sellers
- DNVB & D2C Brands Own-Store
- Importers & Traders
- Brands entering UAE & GCC

Benefits:

- Faster onboarding for marketplace operations
- Improved delivery speed and accuracy
- Optimized storage for all temperatures
- Real time visibility across all orders
- Seamless prep for FBA compliance
- Scalable fulfilment during peak seasons
- Quick dispatch for FBN orders
- Hassle free returns and replacements
- Reduced operational and staffing costs
- Integrations with major sales channels

Our Value Proposition:

- FBA/FBN Expertise
- Speed to Scale
- Total Visibility
