

3 Seasons Fruit Industry Co., Ltd. Expands Premium Freeze-Dried Fruits & Vegetables Line

London, 17-19 March 2025 – 3 Seasons Fruit Industry Co., Ltd., a leading provider of high-quality freeze-dried fruits and vegetables, is proud to introduce its latest range of nutritious and long-lasting products. With a dedication to freshness, convenience, and sustainability, the company continues to redefine food preservation technology for health-conscious consumers and the food industry.

3 Seasons Fruit Industry Co., Ltd. specializes in freeze-drying a variety of tropical and exotic fruits **sourced locally from Thailand**, preserving their natural flavors, vibrant colors, and essential nutrients without the use of additives or preservatives. By utilizing advanced freeze-drying techniques, the company ensures that up to **99% of the original nutrients** remain intact, making its products ideal for snacking, food manufacturing, and emergency food storage.

"We are committed to delivering high-quality, nutritious, and shelf-stable foods that meet the growing demand for healthier alternatives," said **Harriet Chu, Managing Director of 3 Seasons Fruit Industry Co., Ltd.** *"Our freeze-dried fruits and vegetables offer exceptional taste and convenience without compromising on quality."*

Product Offerings:

- **Freeze-Dried Fruits:** Premium tropical and exotic fruits sourced from Thailand, including **Durian, Mangosteen, Mango, Banana, Pineapple**, and more.
- **Freeze-Dried Vegetables:** Nutritious and versatile vegetables such as **Beetroot, Sweet Purple Potato, Carrot, Corn**, and more.
- **Custom & Bulk Solutions:** Ideal for food manufacturers, retailers, and health-conscious consumers.

New Product Creations: At **3 Seasons Fruit Industry Co., Ltd.**, innovation is at the core of our product development. We continuously explore new ways to enhance the freeze-dried experience for our customers. Our latest product innovations include:

- **Dark & White Chocolate Coated Freeze-Dried Fruits** – A luxurious combination of premium dark and white chocolate with crispy freeze-dried tropical fruits, offering a perfect balance of sweetness and crunch.
- **Freeze-Dried Yogurt** – A creamy, probiotic-rich snack that delivers the goodness of yogurt in a light, crispy, shelf-stable form.
- **Freeze-Dried Ice Cream** – A delightful, airy treat that brings the classic ice cream experience in a freeze-dried, no-melt format, perfect for on-the-go snacking.

These new products aim to meet the demands of health-conscious consumers, food manufacturers, and retailers looking for innovative, natural, and convenient food solutions.

With applications in retail, food processing, and emergency food supplies, **3 Seasons Fruit Industry Co., Ltd.** is at the forefront of delivering premium, long-lasting food solutions. The company is also expanding its distribution network to bring its freeze-dried products to new markets worldwide.
