

Al Sharqi Shipping Receives "Brilliance in Logistics" Award

Dubai, UAE – 2025 – Al Sharqi Shipping is thrilled to announce that we have been honored with the prestigious **Brilliance in Logistics** award from **Dubai Industrial City**. The award was presented to our Founder, Mr. Rafiq, and Chief Operating Officer, Asif Rafiq, by Executive Vice President Saud Abu Alshawareb and Tecom Group CEO Abdulla Belhoul.

About Dubai Industrial City

Dubai Industrial City is a leading industrial hub in the UAE, driving growth in manufacturing, logistics, and distribution. With world-class infrastructure and a focus on innovation, it supports sustainable economic development and attracts global businesses.

Driving Innovation: Launching a Multi-Temperature Logistics Facility

This recognition marks a significant milestone as Al Sharqi Shipping prepares to unveil its **state-of-the-art multi-temperature logistics facility in February 2026**. Designed to meet the evolving needs of regional and global supply chains, the facility will feature:

- **32,000 pallet combined storage capacity**
- **27,000 sqm built-up area**
- **Integrated multi-temperature zones**
- **Scalable and efficient infrastructure**

Asif Rafiq, COO of Al Sharqi Shipping, commented:

"This award is not just a reflection of our past achievements—it validates our transformation strategy. Our upcoming facility represents a bold step toward redefining logistics solutions in the UAE and beyond."

Shaping the Future of Logistics

The new facility will further cement Al Sharqi's position as a leader in logistics innovation, enabling us to provide smarter, more efficient solutions to meet the region's industrial demands.

As we continue to expand and evolve, our commitment to shaping the future of logistics remains stronger than ever.
