

At CH Foods, we are dedicated to produce premium-quality products that meet global standards of taste, safety, and reliability. We are committed to supporting our international distribution partners through consistent supply, transparent collaboration, and long-term trust.

Our facilities are FSSC 22000 certified by Bureau Veritas, and we proudly meet the strict requirements of the Costco Supplier Audit. In addition, the majority of our products carry HALAL certification, ensuring we meet diverse dietary preferences and cultural needs across global markets.
